GOVERNMENT OF MADRAS
Abstract

Travelling allowance - Travel by air to Delhi, Bombay and Calcutta - Enhanced rates of Daily Allowance - Sanctioned.

FINANCE DEPARTMENT

G.O. No.973 dated Dated 16-10-1948

ORDER:

In view of the high rates of hotel and local transport charges prevailing in Delhi, Calcutta, and Bombay, His Excellency the Governor sanctions the following enhanced rates of Daily Allowance to officers who proceed on tour to any of these cities by air:-

Grade I	...	Rs.25/-
Grade II	...	Rs.22/-
Grade III	...	Rs.18/-

2. These rates will apply both for halting days and for days of air travel in respect of any tour by air performed on or after 1st October 1948, for so long as the current 50 % increase in travelling allowance continues.

3. Officers who travel to any of these cites by train and claim rail fare will not be eligible for these special rates as the Government consider that two fifths additional first class railway fare leaves sufficient margin over a long journey to covery any deficiency in the usual rates of daily allowance.
